# *Worship* *Grow* *Serve*

**We are the church.  
We worship together,  
we study God's Word  
together, and we serve  
together.**

**When everyone  
serves in a place that  
"fits," our church is a  
healthy body, doing  
what God has called  
us to do.**

**In a big church, it  
can often be hard to  
figure out where you  
fit. That's why we're  
ready to help!**

*Just as each of us has a body with many members, and these members do not all have the same function, so in Christ we who are many form one body, and each member belongs to all the others.*

*Romans 12:4-5*

# Many Blessings

When we use our gifts in God's service, God works through our efforts and blesses others...and us, too.

*There are different kinds of gifts, but the same Spirit.*

*There are different kinds of service, but the same Lord.*

*There are different kinds of working, but the same God works all of them in all men.*
